THE PARASITE'S DILEMMA BY PASTOR ELI JAMES

www.eurofolkradio.com

October 28, 2017

The tenacity of this religious tribalism is legendary; and there is no end to the number of lessons to be learned from the study of its methods, both physical and psychological, of insulating its adherents from the liberating influences of the outside world. It is this carefully cultivated insularity – this rabbinical demand for tribal loyalty -- which has kept Judaism alive down through the centuries in spite of its lack of a homeland.

THE PURPOSE OF THIS STUDY IS to show how Judaism, over thousands of years, has defined and refined the concept of a parasitic culture among the hominid species. What emerges from this study is a definite pattern of grandiose posturing, deceit and tribal self-worship trying to impose itself upon a resistant outside world. This primitive form of tribal self-worship, due to its nearly total insularity (separate language, separate food, customs, literature, art, etc.), has managed to survive into the modern world and even find its most fruitful soil in the age of democracy, an age which ideologically repudiates tribalism.

Yet, by skillful manipulation of the persecution myth, Jewish tribalism is tolerated and even condoned by the most verbose democratic ideologues of our time. These democrats, with antifa (anti-fascist, communist) and other liberal-left connections, fail to see the hypocrisy the Jewish tribe's own insularity and xenophobia, while it promotes multiculturalism and amalgamation of the non-Jewish tribes in its globalist rhetoric. This obvious double standard is either not perceived or ignored by both leftists and Christian Zionists.

Once it is recognized that the Jewish people constitute the wealthiest demographic, per capita, on the planet, the persecution myth is seen for what it really is; but since this is a matter of faith, not fact, the persecution myth is immune to logic, fact, and reason.

Jewish mythology makes several claims about Jewishness besides that of being "chosen" by G-d. (G-d is the unscriptural spelling of 'God' by which the rabbis pretend to be "pious" in their refusal to pronounce publicly the various names of the deity, including that of Yahweh, the God of the Israelites (who are not to be mistaken for the Jews).)

This mythology centers on the Talmud and other unscriptural and even anti-scriptural "holy" books, such as the witchcraft-filled Cabala, which give the rabbinate the psychological tools with which to corral the Jewish flock and fence them in while they are led to believe that they are, in spite of their insular life-styles, cultural and intellectual world leaders.

By practicing these mind control techniques on their own tribe, the rabbis and their Jewish partners in crime, both secular and religious, can easily switch to brainwashing the masses with the techniques of "us against them" ideologies.

From this perspective, even non-religious Jews can become fanatical zealots for the tribe, even though they know or care little about the Talmud and its deceitful origins. Jesus Christ had these words to say about the fanatical children of Zionist/Talmudic supremacism:–

Woe unto you, scribes and Pharisees, hypocrites! for ye compass sea and land to make one proselyte, and when he is

made, ye make him twofold more the child of hell than yourselves.

A modern corollary to this saying is “A little knowledge is a dangerous thing.” Brainwashing techniques emphasize demonization of the innocent without allowing the innocent to have their say, as Unite the Right discovered in Charlottesville, the day that they were not allowed the right of free speech (Aug. 12, 2017). This is how the rabbis and the Jewish leadership of bankers, journalists and warmongers create antipathy towards the goyim (a pejorative term for non-Jews). Besides the goyim, few rank-and-file Jews are able to see through these brainwashing techniques. Those who do see through this culture of deceit rarely speak out for fear of repercussions.

Notable exceptions are Benjamin Friedman, David Cole, Henry Klein, Myron Fagan, and recently, Brother Nathanael and Henry Makow. Remonstrant Jews are remarkably infinitesimal in number.

With respect to the parasitic Jew entering into an existing, thriving society, the Jews will, in order to subvert that society, create a cause célèbre, by which half the population will be antagonized against the other half; and voila!, rioting in the streets!

In 2017, we have Democrats espousing Jewish communism and Neo-Conservative Republicans arrayed in opposition, but still espousing a Jewish cause, namely, Zionism. Divide the goy nation into opposing camps and manipulate them by hiring shills to enflame both sides. It is easy to brainwash the masses

if you have total control of the press, entertainment, media, and education.

The relentless drone of the Kosher press is: Lionize the philo-Judaics and demonize the “white supremacists,” even though the white supremacists are non-existent. A bogeyman doesn’t have to be real in order to cause real fear and hatred among the liberals and “Judeo-Christians.”

Once the Jew has attached itself to the host, it begins to develop a parasitic colony. By maintaining separate, Jewish, courts of “law,” the Kehilla - the Jewish ruling clique - asserts punitive powers even unto the death of those who would resist it.

The typical punishment for offending the Jewish ruling clique is ostracism, and for a person who looks, thinks, and acts Jewish, this is well-nigh a spiritual death sentence, like excommunication was a death sentence for Roman Catholics who rebelled against the Church. The rabbis know their flock very well. After all, they are the breeders.

The little Jew is trapped in the most cleverly designed psychological web. That is the main function of the ghetto. As a separate community within a host nation, the Jews must of necessity accommodate themselves, individually and collectively, to the larger society. This is because the host nation provides the Jewish community with food and skilled labor, which the Jews are incapable of producing.

In order to maintain its mental hold on the “lesser brethren,” the Jewish ruling clique continually agitates for special privileges for the Jewish mini-state, so that they can argue before their subjects what a good job they are doing for the little Jew. In this way, the fierce loyalty of the lesser brethren is purchased.

The truth, of course, is that the Kehilla and the Rabbinate thrive on the maintenance of the dynamic tension between Jew and non-Jew, manipulating the circumstances for all they are worth in order to 1.) deepen the individual Jew's sense of Jewish uniqueness and separateness and 2.) maintain their political and economic power as fat cats in the mini-state, and 3.) act as influence peddlers and vote-block deliverers

to select politicians. This is exactly how the Pharisees operated in the days of Jesus Christ. In addition to acting as political middlemen between the Jewish and goy communities, the Jewish banking class incrementally takes control of the host's economy, to the point where the host people are completely manipulated and controlled by the Jewish banking class, with the vast majority of the goyim being completely unaware of how Jewish usury and banking have subverted the host nation's economy.

The Bank of England and the Federal Reserve Bank are perfect examples of this type of parasitic behavior. Although Jesus Christ drove the Babylonian moneychangers out of the Temple, the Jews have made themselves at home within the temples of Judeo-Christianity, and few are the goyim capable of comprehending the heist.

As the reader may well appreciate, the kehilla and the rabbinate are the past masters of this psychological game plan, having well over 2,500 years of experience, going back to ancient Babylon, with religious, criminal and cultural mind control. Semi-secret texts, such as the Talmud, Cabala, and Toledoth Jeshu, codify the lessons the rabbi must learn to sharpen his manipulative skills.

Every once in a while, the kehilla's demand for special privileges is rebuffed by the host nation. When this happens Jewish pride and honor are at stake; and physical violence often results. This is what happened in Tsarist Russia and post-Weimar Germany, plus well over one hundred times in the history of Europe, when the Jews were expelled from Christian nations and city-states for their subversive and degenerate activities.

When the Jewish community begins to pursue the procurement of special privileges, at the expense of the host population, this inevitably causes a backlash among the goyim. At this point the kehilla will heighten the Talmudic propaganda and whip their flock into a frenzy, which has often included mounting communist insurrections against the host nation; and thus the oft-repeated Jewish cycle of steadily advancing prosperity followed by pogrom and/or revolution.

This cycle can be described as consisting of the following stages:–

The Pleomorphic Life Stages of the Parasitic Nation:–

- 1.) Dormancy**
- 2.) Attachment**
- 3.) Growth**
- 4.) Agitation (Irritation of the host organism)**
- 5.) Rejection by the host and conflict**
- 6.) Victory or defeat**

With the expulsion of the parasitic entity, logic tells us to expect that the dormancy period will repeat as the next step for a particular Jewish community and then the entire life cycle of the parasite will repeat itself. This is exactly what happens with the Jews.

The entire history of Jewish expulsions bears this out. On the other hand, what happens after a victory by the parasite is the death of the host nation, as exemplified by the Terror of the French Revolution and the mass genocide of Christians in Bolshevik (Jewish-ruled) Russia. This is exactly what the Jewish parasite has in mind for America.

Within a given Jewish community, whether it be in China, America, or IsraHell, this cycle will be active at one stage or another depending on its maturity. Perceptive readers will notice that this cycle of Jewish development exactly parallels that of a biological parasite, which latches on to a host organism and feeds itself off of whatever nutrients the host might provide. If the biological parasite becomes an irritant, the host will do all in its power to rid itself of the parasite. The same is true of the host nations in their relationship to the Jewish mini-states

within them: their presence is tolerated until it becomes too painful to endure any more.

Historically, the main reason for throwing off the parasite has been the Jewish practice of usury (lending money at interest), foreclosure on property, and monopolization of business. This is why the Jews were expelled from England by Edward I (Edict of Expulsion, 1290 AD).

Once these Oberjuden, or Super Jews, and their moneychanger class, establish themselves, then they work ceaselessly to get the “poor, persecuted” Jewish masses to flock into the host country with their vice-rackets: gambling, pornography, prostitution, sweat shops, organized crime, and other forms of degenerate Jewish “culture.”

In America, the general public is largely unaware that organized crime is a mainly Jewish affair, with such Jewish mobsters as Arnold Rothstein, (Above) the “founding father” of organized crime, who was the mobster who bribed the Chicago White Sox to throw the 1919 World Series. The Cincinnati Reds were the beneficiaries of this fix.

Such Jewish mobsters as Meyer Lansky, Eugene Meyer, Bugsy Siegal, Dutch Schultz,

Abraham “Kid Twist” Reles, Harry “Pep” Strauss, Mendy Weiss, Jacob “Gurrah” Shapiro, Red Levine and many others have Jewish, not Sicilian, names. Yet, the public hears only about the “Italian” mobsters, such as Al Capone. Many of the Italian mobsters emanated from Sicily, which has had a large Jewish population ever since the days when Titus destroyed the Temple in Jerusalem (around 70 AD) and sent the Jews scurrying for safer abodes. In other words, it is quite likely that even the Sicilian mobsters have Edomite Jewish blood.

Here it is important to make a crucial distinction between Jews and Israelites. The biblical Israelites never practiced usury. They never had a formal banking system. Their main currency was gold and silver, just as our Constitution prescribes. The moneylenders came not from Israel, but from Babylon. It was under the Edomite tyrant, Herod, that the Judahite priests were replaced by his Edomite cronies. These latter appear in the New Testament as the scribes and Pharisees, a combination of Edomite usurpers and disloyal Israelites.

Around 125 BC, the pure-blooded Adamic / Aryan tribe of Judah was displaced by Edomite Jews. King John Hyrcanus had defeated the Edomites in battle and forced them into tribute. However, around 121 BC, he made a huge mistake. He offered them citizenship if the male Edomites would accept circumcision. This was entirely against Yahweh’s law and against the policy of all the Maccabean kings before him.

NOTE: By this act, King Hyrcanus invited the parasites into Judea. Later, these same Edomites took over the government of Judea. Herod, son of Antipater, the Edomite, used the Roman army to invade Judah. Josephus tells us that this invasion was inspired by Antipater, who had allied himself with Julius Caesar (Antiquities 14.8.1).

Caesar appointed Antipater as procurator; and, using this status, was able to appoint his son, Herod as a governor in Judea. This is how the Roman occupation of Palestine came about. Most historians, who know this history very well, gloss over the fact that Herod was an Edomite, not a Judahite.

Until the time of the Herodians, the high priests of Jerusalem were a hereditary lineage of the tribe of Judah. This practice was changed by Herod under the Roman occupation. Josephus tells us of Herod, He also did other things, in order to secure his government, which yet occasioned a sedition in his own family; for being cautious how he made any illustrious person the high priest of God, (2) he sent for an obscure priest out of Babylon, whose name was Ananelus, and bestowed the high priesthood upon him.

— Antiquities, 15.2.4.

Josephus is telling us that, rather than appoint anyone who might oppose him, such as a loyal Judahite, he began importing Babylonian and Edomite priests into Judea.

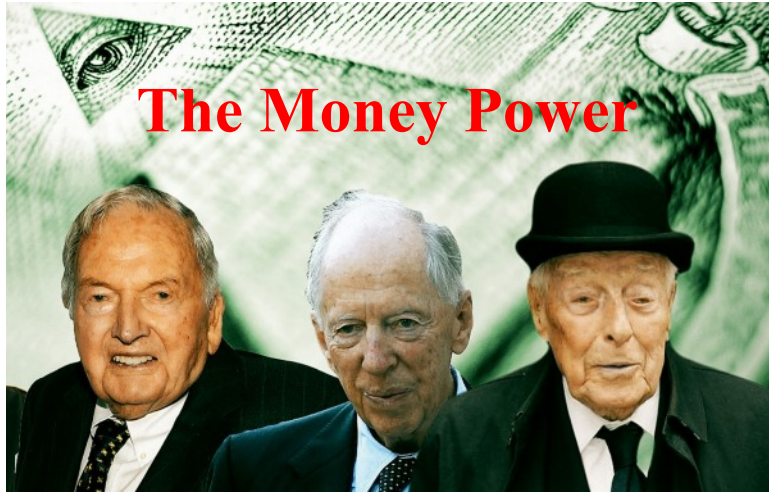

In this way, the tribe of Judah was put out of power and a succession of illegitimate high priests was appointed by the Roman/Herodian regime. Most of these priests were of non-Israelite stock. It was these Edomites Jews, contrary to Yahweh's laws, who became the moneychangers in Judea. The Edomites of Idumea had long been allies of the Babylonians.

These are the same Babylonian banker-priests, who were invited to Judea by the Herodian Edomites. This explains how the practice of banking originated, not with the House of Judah, but with the Edomite Jews of Judea.

These Edomite Jews have been impersonating Israel ever since, having fooled the entire world by their charade as "God's chosen people." The Bible tells us that there is a "beast that deceiveth the whole world." (Rev. 12:9) That beast is Jewry.

In more recent times, these same Edomite Jews have taken control of Palestine in the same way. This time, it was under the auspices of the British Mandate and the great Stab in the Back, the Balfour Declaration, that these same

Edomite Jews have taken control of Palestine again. In this way, the Edomite Jews, not Israel, has fulfilled "the law of return." The Jews, as a minority population of financiers and subversives, never have an army of their own, capable of destroying empires. They always use proxy armies to do the dirty work.

The Jewish cultural cycle utilizes many important factors besides mythology, tribalism, and special privileges. A major characteristic is the internal power struggles that go on (in

true tribal fashion) between the rabbis and secular leaders, between and among the rabbis themselves, between and among local and international kehillas.

A major tribal feature of Judaism is the regrouping of infighting factions against a perceived enemy, in spite of irresolvable differences between the infighting groups. It is herein that Judaism has earned its claim to fame in that it has been able to establish a tribal culture extending over the entire globe, with the international kehilla (comprised mainly of the richest bankers, merchants entertainment moguls, gangsters, members of the World Jewish Congress and other powerful groups such as B'nai B'rith and the ADL) doing its best to rein in all of the various national and local Jewish communities, along with their malcontents and rogues. It is the Money Power of the tribe which holds this parasitic entity together.

It is this MONEY POWER which is the HIDDEN HAND behind all wars and communist revolutions since the Napoleonic wars. It was during the Napoleonic wars that the House of Rothschild began lending money to the nations fighting on both sides of the war.

Not only did this practice provide them with millions in profits, it also provided them with military and political intelligence, by which

they could manipulate these nations into victory or defeat.

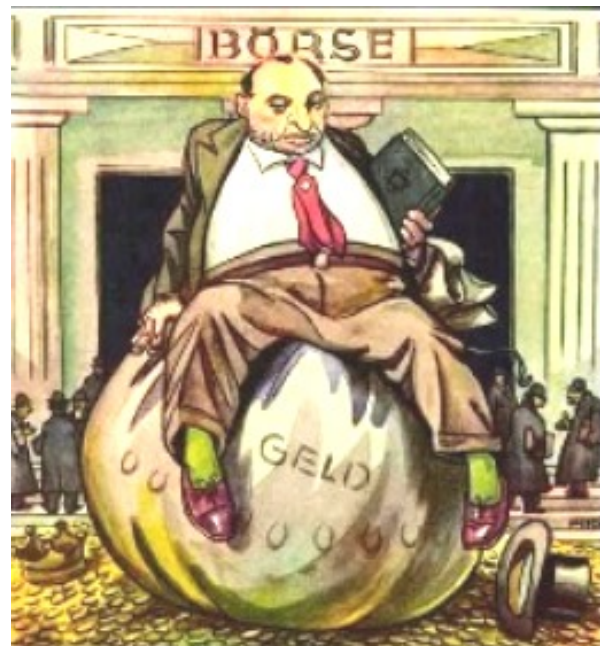

Once these nations are committed to war, the Rothschilds can determine the winner or loser simply by funding the winner and withholding funds from the potential loser. Since 1815, all major wars have had this mark of the Rothschild Beast. Likewise, all communist revolutions have been financed by the Rothschilds and other Jewish bankers. (See Juri Lina's book, **Under the Sign of the Scorpion**, for details about Jewish funding of the Bolshevik coup, and AC Hitchcock's *Synagogue of Satan*.)

The aims and tactics of Hasidic, Reform and Conservative Jews are rarely identical, but their equal goal of overthrowing the goyim remains the same. Conservative and Reform Jews dress and act more like the host people, so as to fool the goyim into thinking they are "host-like" natives instead of alien parasites. To these latter two groups of Jews, Hasidic Jews are viewed as being just as obnoxious as most goyim perceive them to be.

Since Judaism is a tribal religion based on mythology, it matters little whether facts contradict the myths. The myths are sacred, all-important, dogmatic, and theologically unchallengeable. The rare Jew who dares to challenge the established myths is either severely rebuked or ostracized by organized Jewry. (Of course, all religions, to some extent, resort to the tactics of myth-making and insularity against other groups; but it is the purpose herein to make a specific study of Jewish traditions and tactics in this regard, especially since these myths are being used to justify a genocidal war against the White Race, especially against White Christians.)

Today, the Jewish genocide of the White Race comes in the form of the immigration invasion, in which Jews such as George Soros, the Rothschilds, and their multitudinous NGO's destroy our White nations through socialistic and liberal brainwashing, plus financing alien invaders of White nations via the welfare state. In this way, millions of Whites are raped, robbed, slaughtered and bred out of existence via multiculturalism. It is Silent Genocide. Just as with biological hosts, the goy host does not even understand that it is under attack.

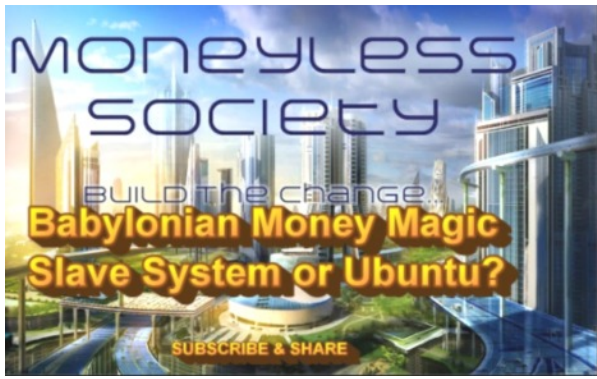

For Christians, it must be understood that all Jews are instructed to hate and reject Jesus Christ and Christianity. This has not changed in 2,000 years, despite the fact that the Jews love to create "tolerance" groups, such as "Jews for Jesus," but such groups do nothing but throw meatless bones to the Judeo-Christians, who regard such associations as sincere attempts to overcome the differences between Judaism and Christianity. In reality, all Jewish-created tolerance groups are nothing more than charades designed to dupe the goyim into supporting Zionism, which is obviously the imperialistic assault against the Palestinian people, resulting in the creation of the bastard State of IsraHell.

The Zionist mafia uses its money, political clout and intrigue to domineer the goy nations. The Israeli State, in this light, is not an objective of Zionism, but a political tool used to foment wars and exploit both Jews and non-Jews alike.

Denial of Christ is the bond that holds all of these diverse Jewish groups together. There is no such thing as a Jewish Christian. There never was and there never will be. Baruch Levy summed up the Jewish attitude this way:

"The Jewish people as a whole will be their own Messiah. It will attain world domination by the dissolution of other races...and by the establishment of a world republic in which everywhere the Jews will exercise the privilege of citizenship. In this New World Order

*the Children of Israel (sic, Jews)...will furnish all the leaders without encountering opposition.” - Letter to Karl Marx, quoted in **Review de Paris**, June 1, 1928, p. 574.*

A close study of the Talmud and Jewish supremacy reveals the true and semi-secret nature of Judaism, from its true ideological beginnings in Babylon – not Palestine - to its present expression in today's international culture. It was in Babylon that the moneylender/priests developed the fractional reserve banking system, with its fiat money and inflationary spending.

Judaism's ideology is today applied with force in such seemingly diverse movements as communism and finance capitalism. Upon closer inspection, we find that both movements are led by powerful Jews who take time out to vacation together and talk business, just as if they were not enemies at all -- and they aren't. Witness Leon Trotsky, the revolutionary, and Jacob Schiff, the Bnai Brith banker. Schiff financed Trotsky to the tune of \$20,000,000. They are but one example. Karl Marx, the communist, and Friedrich Engels, the industrial capitalist, are another. Nelson Rockefeller and Alger Hiss worked together on the United Nations Organization. Vladimir Lenin, the communist, and Max Warburg, the “German” banker, are yet another example.

This convergence of revolutionary overthrow and finance capitalism within Judaism was clearly understood by Henry Ford, who in 1920 wrote:–

“In Germany, therefore, as in Russia, distinction is made between the methods of the rich and of the poor Jews, because one method affects the government and the other the morale of the people, but both converge on the same objective. It is not only desire to escape

*oppression that actuates the lower classes of Jews, but desire to gain control - for the spirit of mastery pulses strong within them. German convictions on this question have reached the place where they may be expressed thus: Revolution is the expression of the Jews' will to power. Parties such as the socialists, democrats and freethinkers are but tools for the Jewish plan to power. The so-called “dictatorship of the proletariat” is really and practically the dictatorship of the Jews.” – **The International Jew, Volume I**, p. 29.*

It is no wonder that Henry Ford has been consistently demonized as an “anti-Semite” by organized Jewry.

But this analysis by Henry Ford is confirmed by this admission of Theodor Herzl, the founder of the Zionist movement, who stated, *“When we sink, we become a revolutionary proletariat, the subordinate officers of all revolutionary parties; at the same time, when we rise, there rises also our terrible power of the purse.” - **The Jewish State**.*

Resentment against Jewish methods and practices is a fact of life. There is more to it than mere envy. If the Jews are indeed the "Chosen People", then why in God's name don't they act like it? Why, if they are the Chosen People, aren't they leading us toward peace through the enactment of God's Law instead of into chaos via war-mongering and debt slavery? Why do they not practice God's Law as outlined in the Old Testament?

Why is their claim not acknowledged by the man in the street, even more so by the Caucasian farmer, who has experienced the negative effect of Jewish chauvinism firsthand? There should be something about their collective and individual comportment which would sway people into giving them the respect that a "godly race" of people would command.

The Jews do not command such respect because they are not the chosen people. Instead, they are a breed of mobsters, sexual degenerates and kingpins, whose only contribution to society is pain, suffering and misery.

A main feature of Jewish parasitism is the fact that the parasite always depends upon its host for survival. History shows that the Jews, since they do not farm and since they do not engage in manual labor, are incapable of producing their own food and incapable of creating the infrastructure that a true nation or civilization requires. Jewish communities that are not attached to a host simply languish in poverty, wandering from place to place, until a host can be found.

White Christian civilization, in particular, has always been a rich feeding ground for this parasitic breed of vipers. The rabbis have trained them well to cheat Christians out of their hard-earned cash. Usury has always been their main diet. In general, Jews flock to the merchant trade -- which includes banking -- before all others. The merchant trade allows them access into cultures which would otherwise forbid their presence. Profit, greed and con games eventually overcome cultural barriers.

Just as biological parasites have their favorite places to congregate in the human body, Jews congregate in the merchant trades (the stomach). Once this parasite has gained a strong foothold, the Jew moves into politics (the muscles), education (the brain), then entertainment (face), publication (hands), pornography and multiculturalism (sex organs), etc., etc.

As long as the host allows the parasite to attach itself, the parasite thrives. But this feeding frenzy has its natural limit. This limit occurs when the host's life is in jeopardy. Since the parasite is entirely dependent upon the host for

its own survival, the parasite does not normally kill the host. The parasite must keep the host at least barely alive...otherwise the parasite itself will die.

In the plant world, parasitic plants can choke the life out of a tree, thus killing the tree. Once the tree is dead, the parasitic plant moves on to another tree. If there is no suitable host tree, the parasitic plant will die also. Bloodsucking parasites, such as ticks, mites and bedbugs, gorge themselves on the blood of the host, until the host realizes its situation and does all it can to get rid of the parasite.

In human affairs, the Jew has destroyed numerous civilizations by overfeeding and sucking the economic life-blood of the host nation until both starve. This is what happened to ancient Rome before the Germanic tribes came and conquered.

Post-Versailles Weimar Germany is a perfect example of the ravenous Jewish appetite for economic destruction. Leftist Jews Rosa Luxemburg and Karl Liebknecht (above) tried to overthrow Germany via a communist revolution, but they were defeated by loyal Germans under President Friedrich Ebert, then executed by the Freikorps (Freedom Corps). Because of these egregious crimes against the German people, including the Versailles Treaty itself, Adolf Hitler had more than enough justification for expelling these parasites from Germany.

This bloodthirsty, vile creature, Rosa Luxemburg, was earlier a friend of Jewess, Emma Goldman, who was involved in the assassination of President William McKinley. Of course, the history of these communist Jewesses is totally forgotten by the Kosher (mainstream) press and academia.

The Great Depression here in America is another good example of how Zionist Jews pulled out of the stock market, then used FDR to steal America's gold on behalf of the Jewish banksters, in 1933.

For the duration of the Great Depression, the Jewish mobsters at the Federal Reserve Bank stopped lending money and/or spending it into circulation (thereby worsening the Depression), in order to destroy as many state-chartered and local banks as possible. From 1930 to 1933, over 10,000 banks failed. This economic chaos was deliberately caused by the Federal Reserve Bank, an entirely Jewish enterprise, in order to eliminate the State and local banks, which were still independent of the Federal Reserve System. The Great Depression was not an accident. It was the deliberate policy of the parasitic banking class.

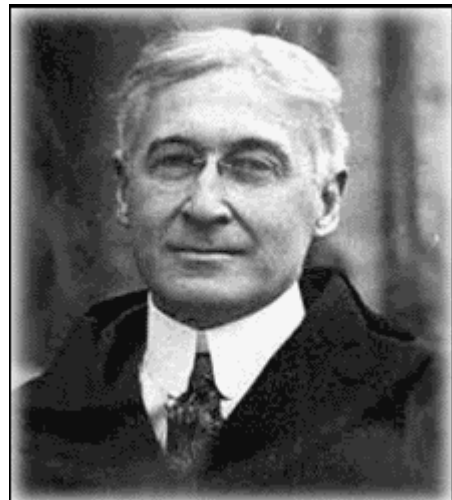

The suffering of the American people could have been alleviated by the Fed. All that was required was to simply issue more paper money. The problem was that there was not enough money in circulation to stimulate business. But the Rothschilds were not interested in stimulating business. Their aim was to eliminate independent banks and to bankrupt the American people, especially the farmers.

In the meantime, in Germany, Adolf Hitler created a boom period by issuing government money, thus stimulating the German economy. Hitler based his money policy on Abraham Lincoln's Greenbacks, which were spent into circulation during the Civil War.

The Rothschilds assassinated Lincoln because he outsmarted the Jewish bankers by issuing the Greenbacks. Hitler infuriated the Rothschilds by doing the same thing. This is why world Jewry declared the economic boycott against Germany in 1933.

In retaliation, Hitler ordered the boycotting of Jewish-owned stores in Germany. But the Kosher press and court historians never mention the earlier Zionist boycott of Germany.

During the Two World Wars, Zionist Jews reaped huge fortunes. Bernard Baruch, the Warburg brothers, the Rothschilds, and many other Jewish families, through their banking and war production companies, made billions while Christians were slaughtered on the battlefield.

Bernard Baruch (above), FDR's chief advisor before and during WWII, also ran numerous war-profit companies. One of the reasons that FDR demanded unconditional surrender was because this policy would drag the war out to the bitter end, thus maximizing profits: kind of like a football game going into triple overtime. The concession stands keep making money. The Vietnam War was dragged out for the same reason.

The Zionist parasite, in both WWI and WWII, was able to enlist the military force of America in subduing its arch enemy, Germany, because the German people had gotten wise to Jewish treachery. Before WWI, the Kaiser gave the Zionists everything they wanted; but, he could not give them Palestine, as it was Arab territory controlled by the Turks.

During WWI, the Zionists, seeing an opportunity to steal Palestine from the Arabs, stabbed Germany in the back via the Balfour Declaration. The Balfour Declaration guaranteed America's entry into the war on behalf of Zionism, so that the British could

wrest control of Palestine from Germany's ally at that time, Turkey. Britain had an agreement with the Arabs (McMahon - Hussein Agreement) that Palestine would go back to the Palestinians once the Turks were driven out; but the Balfour Declaration cut them out of the deal and gave Palestine to the Jews instead. It was this Zionist treachery that brought America into WWI, a war which America had no business getting involved in. It was British and American Jews who orchestrated America's entry into WWI. Germany could not be allowed to win the war.

The international bankers and the British and American Zionists had invested their vast funds in support of Britain and against Germany. Had Germany won the war, the international Jews' capital investments against Germany would have resulted in staggering losses. By bringing America into the war, the Jews ensured Germany's defeat.

The Versailles Treaty forced Germany to pay for the war, thus saving their capital investments; and, to boot, the Rothschilds also gained control of Palestine, war booty that has plagued planet earth from that day forward.

When Lawrence of Arabia understood how the British had betrayed the Arabs on behalf of the Jews, he went on a speaking tour denouncing the whole affair. Lawrence complained bitterly: "We asked them to fight on the basis of a lie." After WWI, Lawrence became a fascist and was planning to meet with Adolf Hitler, in order to help avert WWII.

Before he could go on this mission, he died in a tragic motorcycle accident, in 1935. Sir Lawrence was an avid motorcyclist. The official account says he swerved off the road, trying to avoid two boys on bicycles. The conspiratorial account says that a wire was strung across the road, resulting in his near decapitation.

The incident was shrouded in mystery when MI5 came on the scene and ordered a media blackout. Why a blackout? What were they hiding from the public?

Today, the Jewish parasite has grown fat and powerful. It sits upon the nations like Jabba the Hutt, feasting off the merchant's delights and the warmongers spoils. Only a handful of nations, such as Russia and Iran, stands in the way of total Judeo-communist dictatorship. In spite of this virtually total control of the world's economy, the parasite has a dilemma - actually, two dilemmas. One is of its own making.

The first problem is the fact that the Muslim world is not so stupid as the Christian world. Palestinians are especially aware of Zionism's imperialistic designs and they will not be deceived by Jewish machinations in the world of politics and economics.

That's why the Zionist neocons have been waging an undeclared war on the Muslim dominoes. Iraq, Afghanistan, Libya, Egypt and Turkey, as well as Saudi Arabia, are totally controlled by the Zionists. Only Syria

and Iran stand in the way of total control of the Middle East.

The Zionists know that they can't trick the Muslim world into becoming pseudo-Jews as they have tricked the Christian world into becoming Judeo-Christians.

Islam is a reluctant host. The Jews have tried to capture the Arab world's political leaders, but they cannot capture the religious soul of Islam. Their priesthood is just as cunning as the rabbinate; and they know the value their oil has with the Jews. Therefore, the Arabs must be beaten into submission, or their loyalty to globalism must be bought with oil profits. In the meantime, greedy Arab pseudo-immigrants are trafficked into White nations and used as proxy terrorists in the assault on Western Civilization.

Jewry's genocidal war against the West proceeds on many fronts.

Never have so many White people been so deceived by so few Jews. But there is hope, as White nationalism is not going to submit to Jewish slavery without a fight; and since Whites outnumber the Jews by about 100 to 1, the Jews have a long way to go before they can fool all of us. In fact, they never will. It's a race against time. Can they brainwash all of us before they can disarm us? That is the question, Horatio. And the answer is: not without a fierce, bloody resistance.

Unfortunately, Christian Zionists unwittingly call for the shedding of more innocent blood for Jewish profit; and the Zionists have tricked them into thinking that they are supporting God's "chosen."

In reality, Zionism is the "beast that deceiveth the whole world" (Rev. 12:9 and 13:14); and this beast is laughing all the way to the bank, which it also owns. But hyperinflation and declining confidence in Jewish fiat money are beginning to create cracks in the dike; and this dike is what holds the entire edifice of lies and treachery together.

The second part of the Parasite's dilemma is the fact that its main host, Western Civilization, is dying. By stealing so much of the West's wealth through numerous no-win wars and interest-charging private central banks, the host is fast becoming unable to bear the economic burden of more Zionist war-mongering. T

anks to the internet and social media, too many goyim are becoming Jew-savvy. At this historical juncture, the goyim's eyes cannot be stopped from opening without brute force; and there is no way the Jews can win such a popular revolution.

Among White nationalists, American Constitutionals and Christian Identians, the chant is "The goyim know! The goyim know!" Their hold on mass media is collapsing as people cancel their subscriptions because they are tired of the lies. In desperation, Jewry tries to pass laws forbidding public criticism of their tribe; but they risk revolution every time they do this. The confrontation between freedom-loving Caucasians and bloodthirsty Jewish totalitarians is unavoidable. Overthrowing an armed nation like America will not be so easy as overthrowing the unarmed peasants of pre-Bolshevik Russia.

After two thousand years of predation, the Jews will finally become the prey. It will be a hideous sight. Even the Bible says that nothing can stop this prophesied slaughter. (See the Book of Obadiah and the parable of the burning of the tares, in Matthew, Chapter 13.)

Beginning with 9/11/2001, Zionism's strategy to undermine Western values has been 1) total support of Zionist war-mongering and 2) the importation of non-White aliens into White Christendom.

These Arabs, Turks, Blacks and other non-Whites become a further burden upon the

economy to the extent that the immigration explosion, which is really an immigration invasion designed by the Jews, is creating a White nationalist backlash. In essence, with this program of trafficking insurgents into the White nations, the Jews have bred a non-Jewish parasite to feed off of their main host. This dual parasite problem now afflicting the Christian West threatens to kill the host entirely. The parasite cannot live without a healthy host.

The United States of America, which came to the rescue of the Zionists in the last two World Wars, no longer has the industrial infrastructure to supply the perpetual Jewish wars of Imperialism. America still gives the Israeli State six billion per year to finance that pig sty of a country; and the Jews, even with this kind economic support, still can't manage to have a nation capable of managing its own affairs.

Since the Jews are a race of parasites - that is their genetic code - they can't manage a nation or a civilization. They don't have a clue as to how to do this. They only know how to feed off of the host. That is their culture.

The Israeli State is abundant proof of this fact. Since there is no honor among thieves, it is impossible for them to have an honest government.

The Bandit State exists only because it extorts the wealth of White nations. When this money ceases to flow into the coffers of the corrupt Jewish politicians and corporate magnates, their global empire will collapse. They do not know how to build. They only know how to destroy.

Their greed, power madness and arrogance prevent them from properly managing the host. By starving the White host nations, the Jews only starve themselves. From this perspective, their Waterloo is inevitable...a self-fulfilling prophecy of inbred corruption.

Note this statement by Martin A Armstrong, As a result of formalized banking and widespread use of credit, history is littered with countless debt crises that occurred regularly since the Babylonians right through into modern times. It appears that the *endless cycle of borrowing more than one can repay has sealed the fate of just about every government that has ever existed.* [Source.](#)

And it is going to seal the fate of the current globalist empire debt usury. This process of currency debasement, hyperinflation, government spending, hoarding of gold by bankers, war-mongering, along with the concomitant oppression of the people via bread and circuses, has always been the main cause of the disintegration of every empire that has ever existed.

In short, the collapse of every civilization has been caused by the fractional reserve banking system, which was invented by the Babylonian banker-priests. Anyone with eyes that see and ears that hear can see that the global economy is in precisely the last stages of financial collapse. There is no saving it because its overseers are incredibly greedy, degenerate and corrupt Jews.

Now that the Jews are on the verge of killing the very host on which they feed most, the USA, they have a dilemma. They have to finalize absolute global control before the sugar daddy dies; but their ravenous greed and supremacist hatred will not allow them to let America live that long.

The vampire is prepared to bleed his victim dry. They are hoping that their tentacles in China will provide more life blood while America dies; but the “interdependent global economy” they have created cannot survive without American technology and know-how.

The Chinese economy works only because its foreign trade pays for its domestic communist wasteland. When the global economy collapses, how will Communist China’s dictators pay their troops to suppress the uprising?

Even before their master plan of global dictatorship can be consummated, they will have to wipe out the constitutional patriots of America, those old fuddy-duddies who won’t give up their guns and who hate excessive taxation and oppressive government.

The international Jew has an appointment with a second American revolution, an appointment which they dread; but it is inevitable. Even if they manage to defeat us, the cost to them will be so expensive and bloody that they will not survive it either. The handwriting is on the wall. Here is the parasite’s dilemma: Once the global economy goes bust, the Jews will face the wrath of the world because they will no longer be able to purchase the silence of the journalists, the cooperation of the police state, nor will they be able to pay their jack-booted mercenaries.

Their global war machine will grind to a halt. The wrath of the awakened Saxon will be aroused and there will blood in the streets, with the Aryans getting our revenge upon these blood-sucking parasites once and for all.

Jesus Christ puts it this way:

*Then Jesus sent the multitude away, and went into the house: and his disciples came unto him, saying, Declare unto us the parable of the tares of the field. He answered and said unto them, He that soweth the good seed is the Son of man; The field is the world; the good seed are the children of the kingdom; but the tares are the children of the wicked one; The enemy that sowed them is the devil; the harvest is the end of the world; and the reapers are the angels. As therefore the tares are gathered and burned in the fire; so shall it be in the end of this world. The Son of man shall send forth his angels, and they shall gather out of his kingdom all things that offend, and them which do iniquity; And shall cast them into a furnace of fire: there shall be wailing and gnashing of teeth. Then shall the righteous shine forth as the sun in the kingdom of their Father. Who hath ears to hear, let him hear. – **Matt. 13:36-43.***

And the denouement:

Therefore shall her plagues come in one day, death, and mourning, and famine; and she shall be utterly burned with fire: for strong is the Lord God who judgeth

her. And the kings of the earth, who have committed fornication and lived deliciously with her, shall bewail her, and lament for her, when they shall see the smoke of her burning, Standing afar off for the fear of her torment, saying, Alas, alas, that great city Babylon, that mighty city! for in one hour is thy judgment come. – Rev. 18 8- 10.

Get ready for the Battle of Armageddon. On that day, Money, the true god of the Jews, will fail them. There is going to be a bloodbath the likes of which history has never seen. The Silent Genocide campaign has already reached

the violent stage, with the globalist Jews trafficking rapefugees and other anti-White invaders into our countries. The White reaction has begun. At least, here in America, the patriots have guns to defend themselves. This is not true in most other White countries.

The forces of ZOG will fight until the bitter end. This conflagration cannot be avoided, because the parasite will never let go of the host without a fight and because evil cannot coexist with good.

The End

Chivalry is a division of American National Publishing, a publishing house which is devoted to racial segregation, White nationalism and Christian Identity.

CI is the only version of the Bible which teaches the racially exclusive Covenant Message, which is that only the White, Anglo-Saxon, Caucasian people qualify as the Israel of God. These Covenants have never changed. We utterly reject dispensationalism and other forms of replacement theology, including Talmudic Judaism. This Covenant Message is contained in all of Scripture, from Genesis 1:1 to Revelation 22:21.
