Gog Deceives The Nations

This is the Olde

We saw in part 2, that Jacob's Trouble was signalled on the banner of Clovis (King of the Franks) by the 3 frogs (evil spirits) of Rev 16:13) and shall now look in more detail at of one of these –

Gog Deceives The Nations

... the Rothschilds – the other 2 being Weishaupt (Illuminati) & Loyola (Jesuits).

It is believed that the Rothschilds are the most influential of the 13 controlling families.

Gog Deceives The Nations

"And I saw three unclean spirits like frogs come out of the mouth of the dragon, and out of the mouth of the beast, and out of the mouth of the false prophet." Rev 16:13

The House of Rothschild

- As Frederic Morton wrote in the preface to *"The Rothschilds:"* "Someone once said that the *Wealth of the Rothschilds consists of the bankruptcy of nations."*

Frederic Morton

The House of Rothschild

- In his *“The Empire of the City,”* E C, Knuth wrote: **“The fact that the House of Rothschilds made its money in the great crashes of history and the great wars of history, the very periods when others lost their money, is beyond question.”**

Rothschild's Plot to Control The World

**Mayer
Amschel
Bauer
(Rothschild)
(1744-1812).**

William had inherited what was purported to be among the largest fortunes in Europe and eventually came to depend substantially on Mayer for managing this fortune, particularly during and after the invasion and conquest of the area by Napoleon.

Rothschild's Plot to Control The World

Much of the early Rothschild fortune and rise to prominence was built on business dealings with the Landgrave of Hesse-Cassel, also known as William IX

Mayer Amschel Bauer began hanging out a red hexagram in front of his house – hence the name Rothschild from the German (Rot = Red & schild = shield) – The sign of the red shield.

Gog Grovels To Achieve His Objectives

The Rothschilds
like the rest of their
Canaanite viper
race would go on
their belly or grovel
as foretold in Gen.
3:14 ---

We shall see this in an example of a letter sent to a German prince to ingratiate himself into royal courts

Gog Grovels To Achieve His Objectives

Gen. 3:14 --- “Because thou has done this thou are cursed above all cattle, above every beast of the field; upon thy belly shalt thou go and dust shalt thou eat all the days of thy of thy life.”

Gog Grovels To Achieve His Objectives – The Letter

- *"It has been my particular high and good fortune to serve your lofty princely Serenity at various times and to your most gracious satisfaction. I stand ready to exert all my energies and my entire fortune to serve your lofty princely serenity whenever in future it shall please you to command me.*

Gog Grovels To Achieve His Objectives – The Letter

- An especially powerful incentive to this end would be given me if your lofty princely serenity were to distinguish me with an appointment as one of your Highness' Court Factors. I am making bold to beg for this with the more confidence in the assurance that by so doing I am not giving any trouble;*

Gog Grovels To Achieve His Objectives – The Letter

- *while for my part such a distinction would lift up my commercial standing and be of help to me in many other ways that I feel certain thereby to make my own way and fortune here in the city of Frankfurt."*

Salomon was busy getting various titles. In 1801 his firm became crown agents of the Landgrave William of Hesse-Cassel. All these titles were wonderful, but most important was the Landgrave's. Rothschild's Involved In The Postal Service

The five Rothschild brothers, each in the five major European capitals set up their own private courier system which was faster than the regular mail. The Rothschilds had news whether political or economic faster than anyone else including the monarchs.

“Thus the Rothschilds had news before anyone else, including ministers [govt.]; they also understood how to make use of it.”

The large amounts of voluminous correspondence by Rothschild couriers attracted attention, but no one ever stopped their personal intelligence and mail services.

The Armenian Holocaust

The Armenian Holocaust unlike as we are told in the history books – was as a consequence of powerful people seeking to gain control of the rich oil deposits in this region.

The Armenian Holocaust

Standard Oil
Logo

The American oil business itself was to be mastered and monopolized by **John D. Rockefeller's Standard Oil Company** who was to supply the entire world's oil needs from the wells of Pennsylvania.

Rothschild's
Shell Oil

Although the **Rockefellers** were facilitated into power by the **Rothschilds** through the banking connections in the states – it is believed that the **Rockefellers** thought they could get one better over the **Rothschilds** through their oil monopoly.

The Armenian Holocaust

Baron
Edmond de
Rothschild
1845-1934

Rockefeller was able to become the “One of the richest men in the world” by virtue of an early oil empire nestled in peaceful Pennsylvania.

Standard Oil's first bout with serious worldwide competition (The Rothschilds) would come from a region halfway around the world whose stability was far from that of Pennsylvania.

The Armenian Holocaust

Baku Nobel Oil Fields

The Nobel Family (of Nobel prize fame) had already established a flourishing oil business in the Baku area supplying mainly Russia and some other countries.

The Armenian Holocaust

The Rothschilds saw the potential of this rich area for competing with the Rockefellers for world dominance in the supply of oil. But there were 2 problems:-

- 1) Cost of transporting the oil to the nearest seaport of Batum on the Black Sea,**
- 2) Unstable conditions because of the on going conflict between Christian Armenians and Muslims.**

The Armenian Holocaust

In the 1880's, the French branch of the Rothschild family acquired interests in Russia's Baku oil fields in an effort to supply their refinery on the Adriatic with cheap Russian oil.

The Armenian Holocaust

**Baku – Batum
Railroad**

In exchange for these interests they built a railroad linking Baku to the newly acquired Black Sea port of Batum. This opened up the Baku oil, a major world supply. It had previously been geographically locked in by the mountains of the Caucasus.

The Armenian Holocaust

**Baku – on
the Caspian
Sea**

[The Swedish Nobel family had been supplying internal Russia with the Baku oil by way of rivers as well as via the Caspian Sea]. With the success of the new railroad, the Rothschilds had more oil than they could actually sell. Overcoming their fear of competing with the giant Standard oil, they sought out the huge markets east of Suez.

The Armenian Holocaust

The Rothschilds sought out a man to help them penetrate these markets. His name was **Marcus Samuel**. **Samuel** had many contacts throughout the Far East.

Baron Edmond de Rothschild

The Armenian Holocaust

**Marcus
Samuel**

When the Rothschilds proposed to sell their oil to Samuel, understanding the magnitude of the opportunity, and understanding the competition with a foe like Standard oil, he set about tackling the logistics of successfully competing with the giant company.

The Armenian Holocaust

**Sir Marcus
Samuel**

Samuel understood that he needed to sell his oil at a cheaper price. In his efforts to do this he reduced transportation costs by designing bulk tankers which were safe enough to pass through the Suez Canal.

The Armenian Holocaust

Standard oil's costs would be much higher as they transported their oil around the tip of Africa in clipper ships that were loaded with pre-filled cans.

The Armenian Holocaust

In 1892, Samuel's coup would unleash forces that would shape the history of mankind. His first oil tanker picked up it's load of Baku oil from the Rothschild's Batum refinery and sailed through the Dardenelles

Royal Dutch
Shell

The Armenian Holocaust

... and on through the Suez canal to the far east where the Shell oil company became, overnight the predominant supplier of Kerosene replacing Standard oil. The great Standard world monopoly had been busted.

The Armenian Holocaust

**Batum – on
the Black
Sea**

Three years after Shell joined Royal Dutch, production at Baku would come to an abrupt halt in 1905 due to the violence of the ethnic conflict between the region's Moslems and the minority population of Armenians who are Christians.

The Armenian Holocaust

This conflict caused the first interruption of oil to the world market.

Standard oil was quick to supplant the needs of the affected markets as its source was operating under the blanket of peace and would flow until dry.

The Armenian Holocaust

The Port of Batum

To an all-powerful banking family like the **The Royal/Dutch/Shell Group** (and the Nobels) watched their Baku investments go up in flames. Ethnic conflict was at the root of the matter.

The Armenian Holocaust

The Armenian Massacre

Rothschilds, whose vast wealth bankrolled many a war, causing millions of fatalities... **was the removal of a small minority like the Armenians a fair price to pay for the peace in a region so crucial to the development and investment of the Far East,**

How it could be done, so as not to reveal any plausible motive which could link the actual planners to the genocide? The scheme involved a proxy party, which was manipulated through layers of influence, providing sufficient cover for the planners.

The Armenian Holocaust

**Of course, history tells us that it was the
Turks, and not big business that
committed the Armenian atrocities.**

**However, if one looks closely, one would
find that the Turks owed more than one
favour to the French government which
aided Turkey in it's recent past.**

Baron
James De

A constant behind France's economic power was the French branch of the Rothschild family. Napoleon III was a Rothschild man. Specifically, Baron James de Rothschild's man. Baron James was, financially and hence politically, the most powerful figure in France

The Armenian Holocaust

The Armenian Massacre

The question arises. Was the Armenian genocide an obligation demanded by Turkey's creditor? The Armenian massacres of 1894 and 1896 occurred merely two years after Baku oil first began to flow through the Suez Canal to the Far Eastern markets.

The Armenian Holocaust

**Coat of Arms
of The Ottoman
Empire**

Armenians were living within the Ottoman Empire for hundreds of years, how incredible fortuitous for the oilmen that ethnic hatred would heat up to such a pitch as to consume their population!

The Armenian Holocaust

The Armenian genocide, during World War I, brought stability to the Baku oil region. A further accomplishment of World War I was the successful demise of the Ottoman Empire.

The Armenian Holocaust

The
Sultanate
of Turkey

Turkey was heavily in debt to France behind whom was the Rothschild Bank – Turkey would have to pay their indebtedness off by eliminating the Armenians – although very few would know who the lender of last resort was!!

The Armenian Holocaust

“In 1895 Sultan Abdul Hamid II was ordered by the owners of Royal Dutch Shell - the Rothschilds - to exterminate the Armenians, who were all Orthodox Christian. The background for that was Shell's rivalry with the Rockefeller's Standard Oil.

Sultan Abdul Hamid II

The Armenian Holocaust

Shell was trying to get oil from Baku down to the Mediterranean and the Rothschilds assessed the Armenians as being a potential destabilizing factor that could affect the flow of oil.

The Armenian Holocaust

The Sultan refused to murder the Armenians so the Rothschilds had one of his palace officials killed and the message was not lost on the Sultan, and so he commenced to slaughter about 300,000 Armenians.

.... which in two years time accomplished the rape and murder of over 1.5 million Armenians and the complete depopulation of Western Armenia.

The Armenian Holocaust

Certainly as volatile as Baku, Palestine and the surrounding Moslem areas were susceptible to the same problems of ethnic disruption.

The Armenian Holocaust

Although Rothschild was by far the single most important source of funding for the Jewish settlements in Palestine, his intentions were primarily for investment purposes.

The Armenian Holocaust

It was slow steady growth that he looked forward to. Not the mass immigration of millions of "beggars" into an area as crucial to his oil business as the Suez Canal region.

The Rothschilds Manipulated Events To Gain Palestine

As we read in Ezekiel 18:15 God would bring Gog against His land as well as His people. It is appropriate therefore that the 6 pointed cabbalistic star is the national emblem which is also to be seen on the Gates of the Rothschild's Frankfurt home and on their coat of arms.
