Angel with the key to the bottomless pit

Satan Bound For A Thousand Years

This passage is made up of, or about **Satan (the Jews - Gog)** being cast into the bottomless pit of non-influence for a symbolic thousand years (actually from the time of (Christ) or Yahshua until 1776).

Satan Bound For 1000 Years

Nowhere do the Scriptures say that the 1000 year binding of Satan is in the same time frame as the millennial reign of Christ.

Further if Satan were able to influence the nations to go to war during Christ's reign it would imply an imperfect reign!

Satan Bound For 1000 Years

- The word Satan here is a collective term referring to his offspring the Yehudin (accursed ones) the Jews.
- One can see that this prophecy is being fulfilled by the Gog controlled United Nations and confirmed by its insignia.

Satan Bound For 1000 Years

- The Jews (Gog) did not gain any great influence until the time of the Illuminati (1776), and since that time, Satan (the Jews) have regained their control over the nations. It

has developed into the United Nations, which is attempting to control the entire world (“four quarters of the earth”).

Gog & Magog In English Folklore

There are a number of mentions of Gog and Magog in English legends which will be covered in the next few slides re their importance relating to biblical prophecies.

That Satan was Magog & Gog in the symbolism used in Revelation is confirmed by Old English Lore and legends from the Middle East

According to the Lord Mayor, the giants Gog and Magog are traditional guardians of the City of London, and images of them have been carried in the Lord Mayor's Show since the days of King Henry V. The Lord Mayor's procession takes place each year on the second Saturday of November.

GOG AND MAGOG IN ENGLISH LORE:

In the Middle Ages it was believed that **Gog and Magog** were nations that had been confined behind mountains by Alexander the Great, who had used 6,000 bronze-and iron-workers to build a gate to hold them back.

Gog Walled IN

In the *Alexander Romance*, Alexander chases his enemies to a pass between two peaks in the Caucasus known as the "Breasts of

the World". He decides to imprison the "unclean nations" of the north, which include Gog and Magog, behind a huge wall of steel or adamantine.

Gog Walled IN

With the aid of God, Alexander and his men close the narrow pass, keeping the uncivilized Gog and Magog from pillaging the peaceful southern lands. The nature of the pass is never very clear; some sources

say it is a pass between mountains, while others say it is a pass between the peaks and the Caspian Sea

The Thousand Years Bound

It is perhaps not insignificant that after the rise of Illuminati in 1776 – we find 2 Satanic symbols coming into wide use and being venerated by Christians – Namely the so-called “Star of David” and “Santa Claus”

Santa Claus = Satan

Unscramble the cleverly worded - “**Santa Claus.**” Santa is obviously **S a t a n**, and Claus is **L u c a s**, from the Roman name **Lucius**, meaning “luminous or white,” which is derived from **Lucifer** or the “bringer of the light.”

Santa Claus = Satan

St. Nicholas of Myra

Santa Claus is also called “Old Saint Nicholas,” because Nicolaus is the same name as Nicholas, or “Old Nick,” - the Devil himself.

Santa Claus = Satan

If we stretch our imagination even further, every time Santa says “Ho-Ho-Ho”, he is really saying “666.” Each word “HO” has 6 letters between the H and the O, where you get... H i j k l m n O, then HO HO HO here equals 6 6 6.

Santa Claus = Satan

Now, using $A = 6$, $B = 12$, $C = 18$, etc.,
the name
SANTA CLAUS
also adds up to
666.

The Evil Eye

“The Serpent promised Adam and Eve that their eyes would “be opened” (Genesis 3:5)

The most foreboding aspect of this Scripture emerges from the fact that the Hebrew word for “eyes” is not plural, but singular.

The Evil Eye

The "eye" that Scripture wants us to consider is not the physical organ of sight, but the eye of the mind or soul.

The Evil Eye

The Jews of England were forbidden to attend the coronation of Richard the Lion-heart (1189) for fear that an evil eye might harm the crown

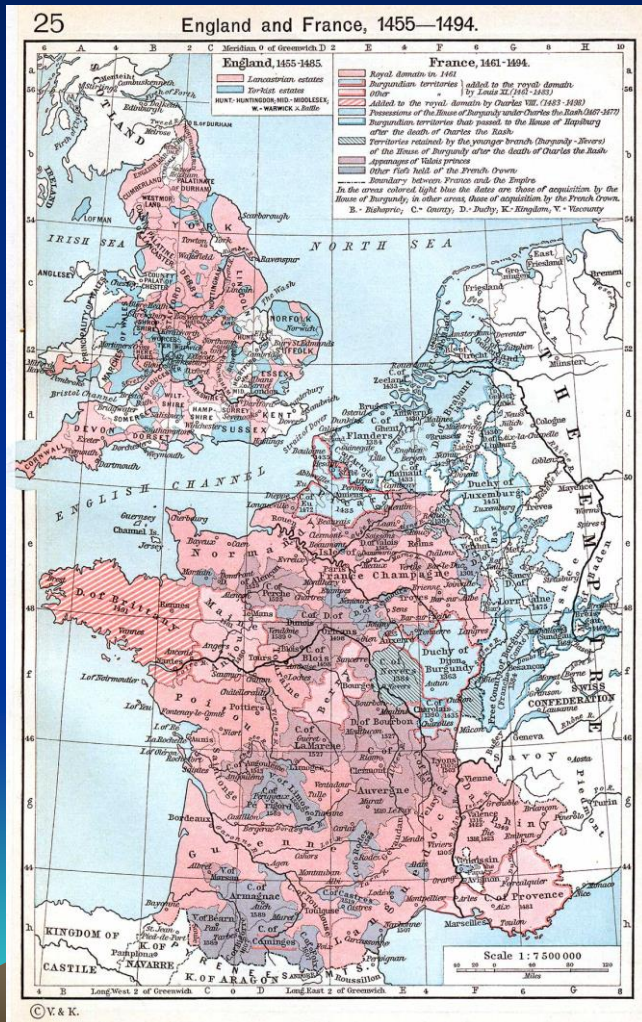

Richard The Lion-Heart

So feared was the purported power of the Jew, that the German word for evil eye remains to this day “**Judenblick**” (Jews glance).”

Israel Nations Expanding Trade & Territory

- During the 18th & 19th Centuries Britain (Ephraim) & France (Reuben) were the most powerful nations in the world.
- Gog would concentrate his attacks on these 2 powerful nations – France (The French Revolution) & Britain (Through its North American Colonies – the Boston “Tea Party” and later on the American Civil War).

Gog's Hanseatic League Trading Block

The Hanseatic League was a trading association of German merchants and cities that was active from the middle of the 12th century to the middle of the 17th century. At its largest extent in the mid-1400s, league membership included over 100 cities. Hanseatic merchants maintained permanent enclaves called *kontors* in other major cities in northern and western Europe. At the height of its power, the Hanseatic League held a virtual monopoly on trade in the North and Baltic seas.

The East India Company & Virginia Company Have A Common Origin

A forerunner of this group (The British East India Company) was the London Mercers Company, and earlier than that, the London Staplers. The organization traced their lineage back to the ancient commercial groups involved in trading between the Mediterranean and India.

The East India Company & Virginia Company Have A Common Origin

They were closely related to the Levant Company, and the Anglo-Muscovy Company, and spawned the London Company, which was chartered in 1606 by King James I, to establish the Virginia Plantation on a communistic basis, and the Plymouth Colony in 1621.

Gog Puts Pressure on King George III

- Gog put the squeeze on King George and said they wouldn't loan him any money unless pressure was put on the colonies by taxes. This was started and it kept increasing --- taxation without representation, and the Revolutionary war was a direct result of this squeeze on King George by the Jews. It was a plan by the international Jews to break the financial structure of the USA.

- 1) Boston radicals wanted to keep the port city at front of revolutionary mov't.
- 2) Cheap tea threatened intercolonial unity.
- 3) Principle of the matter. A stock company had obtained special privileges at a time when colonists felt their old rights of self.

Emperor Alexander II of Russia (1818-1881).

Emperor Alexander sent the Russian navy to New York, Virginia and San Francisco in 1863 and their presence was a warning to France and Great Britain (The Rothschilds) to stay out of the conflict. In 1867, he sold Alaska to the U.S. for the measly sum of \$7.2 million dollars. For freeing the serfs and saving the American Union, Emperor Alexander was killed by a Gog assassin in 1881.

Westminster
Review

The Westminster Review quoted Daniel O'Conner as saying: "If Disraeli's genealogy would be traced back, he would no doubt be found to be the true heir of the impenitent thief on the cross"

Prince Albert Was Considered A Threat To The NWO

Queen Victoria saw her duty as looking after her large family of 9 children and left the Hurley-burley of politics to Prince Albert. By his consolatory diplomacy between the 2 warring sides and Great Britain in adverting a world war, Gog saw him as an obstacle to their plans, so had to be eliminated.

The Trent Affair

One of the Prince's last and most notable services to his adopted country was the redrafting of a provocative **British despatch** at a moment of high tension in **Anglo-American** relations.

The Confederates sent 2 commissioners to London – sailing on the British Royal Mail steamer *Trent* (Captain Moir). However, news of their sailing plans had reached Captain Charles Wilkes of the U.S. warship *San Jacinto* and who decided to intercept them on the high seas.

The Trent Affair

Lord Palmerston was for strong action against the United States and instructed the Foreign Office to draft a letter to president Lincoln.

Windsor Castle

Drafts of the letter arrived at Windsor Castle late that evening, and were earnestly discussed by the Queen with her husband. The Prince Consort was at this moment an already dying man.

The Trent Affair

The Prince Consort's acute Germanic brain was still active in his ailing body and, after discussing Russell's drafts with the Queen, he took them to his bedroom.

To his clear and detached mind it was apparent that Britain had nothing to lose, but, on the contrary, much to gain by preserving peace.

The Trent Affair

At eight o'clock he brought his Memorandum to the Queen's room, exclaiming pitiably: "*Ich bin so schwach, ich habe kaum die Feder halten können.*" But his work was done; it was the last service he was to perform for his country. He had avoided war. Two weeks later he was dead (December 14th, 1861). – **Murdered by Gog's agents.**

12 States had voted for the amendment by 1812.

However, there was a civil war, no doubt by design, during this year, so Virginia's affirmative vote was made known by

publication and dissemination – this was ignored by Gog knowing that a corporate constitution would soon be set up.

Gog Acquires Washington DC

On 21st February 1871, “An Act To Provide A Government For The District Of Columbia” was passed by the 41st Congress. Why would such an act be passed for a 10 sq mile parcel of land and in defiance of the Constitution?

Washington DC

Gog Acquires Washington DC

The USA was virtually bankrupt after the civil wars stirred up by the Rothschilds, so no doubt pressure was applied by the usual methods. Washington DC would become the Corporate Capital of THE UNITED STATES with its own Constitution of THE UNITED STATES OF AMERICA to replace the original Constitution for the united states of America.

Gog Acquires Washington DC

After obtaining a foothold it would not be long before **Gog** took control of the whole of the USA signalled by the flying of the Stars and Stripes military version instead of

the individual state flags and the civil version of the stars and stripes with its vertical stripes.

Gog Acquires Washington DC

The people of the USA, just as in other Israelite nations, are enslaved to a corporate Government and given fictitious names by converting their names to all uppercase letters – look at your next communication from the Government and you will see this is the case.

The 14th amendment was never properly ratified – 11 senators from southern states were barred from sitting to enable the amendment to be passed.

"All persons born or naturalized in the United States, and subject to the jurisdiction thereof, are citizens of the United States and of the State wherein they reside. No State shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States"

This amendment would effectively make every one a citizen and pave the way for the assimilation of non-white races.

The Chicago Fire

Sunday evening, October 8, 1871 marked the beginning of one of the most devastating fires in U.S. history

The Chicago Fire

A historical painting depicting the Chicago Fire. The scene is filled with intense orange and yellow flames that have consumed a large portion of a city street. In the foreground, a crowd of people is seen fleeing in panic, some carrying belongings. The background shows a dense urban landscape with many buildings, some of which are partially destroyed or in flames. The overall atmosphere is one of chaos and destruction.

Between October 8 and 10, an estimated 350 people perished. The fire destroyed the homes of up to one-third of the city's population, about 1,600 stores, 60 factories, and 28 public buildings. Four square miles of the city burned to the ground.

The Chicago Fire

Was it a coincidence that this fire occurred in the same year Washington DC became an independent state within the union?

Gog Would Rebuild Chicago In His Own Image - Gigantic

The Chicago fire like the great fire of London, would be used by Gog to reconstruct the city in his image – huge skyscrapers which only the London Money Power could afford. Previously prior to the fire the buildings were no more than 2 - 3 stories high and owned by the occupiers.
