Migrations Of Israel – Chapter 2

Now that we understand that the expression, “**House of Israel,**” refers to the **Ten Northern Tribes, excluding Judah and Benjamin,** we can trace their history and migrations.

Migrations Of Israel – Chapter 2

The names of these Tribes are Ephraim, Manasseh, Dan, Asher, Zebulun, Reuben, Gad, Naphtali, Issachar, and Simeon. This is the Ten-Nation House of Israel.

Migrations Of Israel – Chapter 2

Jacob blessing Ephraim

The Bible often refers to this House as “*Ephraim*,” because Ephraim was the leading tribe; but “Ephraim” is never used to represent the House of Judah..

Migrations Of Israel – Chapter 2

**Banner of the
tribe of Levi**

The Tribe of Levi had ceased to be a separate Tribe. The Levites were still the main priests, serving all twelve tribes, so some Levites remained with the House of Judah. Other Levites went with the House of Israel.

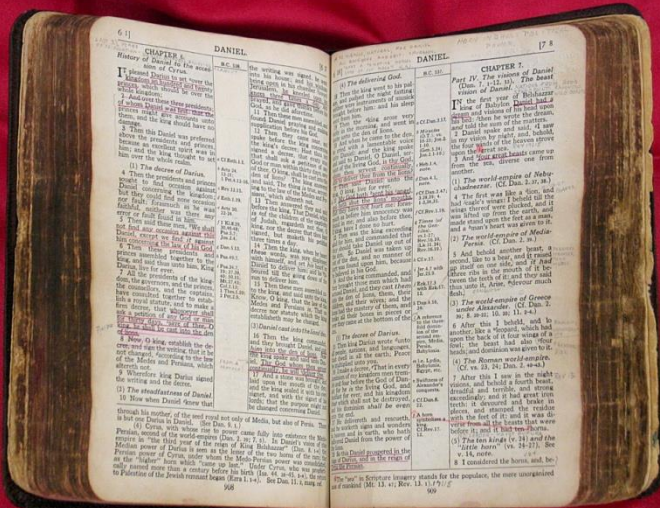

Migrations Of Israel – Chapter 2

I Kings 12 explains how Ahijah's prophecy to Jeroboam was fulfilled in Samaria. Samaria was the capital city of the Ten Northern Tribes.

Migrations Of Israel – Chapter 2

The Bible goes into great detail as to how the Ten Northern Tribes became a separate Kingdom.

Migrations Of Israel – Chapter 2

Shechem

I Kings 12

25 Then Jeroboam built Shechem in mount Ephraim, and dwelt therein; and went out from thence, and built Penuel.

26 And Jeroboam said in his heart, Now shall the kingdom return to the house of David:

Migrations Of Israel – Chapter 2

I Kings 12

Jerusalem

27 If this people go up to do sacrifice in the house of the LORD at Jerusalem, then shall the heart of this people turn again unto their lord, even unto Rehoboam king of Judah, and they shall kill me, and go again to Rehoboam king of Judah.

Migrations Of Israel – Chapter 2

I Kings 12

28 Whereupon the king took counsel, and made two calves of gold, and said unto them, It is too much for you to go up to Jerusalem: behold thy gods, O Israel, which brought thee up out of the land of Egypt.

Migrations Of Israel – Chapter 2

I Kings 12

Jeroboam's Altar In Dan

29 *And he set the one in Bethel, and the other put he in Dan.*

30 *And this thing became a sin: for the people went to worship before the one, even unto Dan.*

Migrations Of Israel – Chapter 2

I Kings 12

31 And he made an
house of high
places, and made
priests of the
lowest of the
people, which were
not of the sons of
Levi.

Levitical Priests

Migrations Of Israel – Chapter 2

I Kings 12

Jeroboam's idolatry

32 And Jeroboam ordained a feast in the eighth month, on the fifteenth day of the month, like unto the feast that is in Judah, and he offered upon the altar. So did he in Bethel, sacrificing unto the calves that he had made: and he placed in Bethel the priests of the high places which he had made.

Migrations Of Israel – Chapter 2

I Kings 12

33 So he offered upon the altar which he had made in Bethel the fifteenth day of the eighth month, even in the month which he had devised of his own heart; and ordained a feast unto the children of Israel: and he offered upon the altar, and burnt incense.

Migrations Of Israel – Chapter 2

I Kings 13:33-35

These verses tell us that the first thing that Jeroboam did was to institute pagan practices instead of Yahweh's law. He also picked unworthy men as priests.

Migrations Of Israel – Chapter 2

I Kings 13:33-35

33 After this thing Jeroboam returned not from his evil way, but made again of the lowest of the people priests of the high places: **whosoever would, he consecrated him, and he became one of the priests of the high places.**

Jeroboam And Pagan Sacrifices

Migrations Of Israel – Chapter 2

I Kings 13:33-35

34 And this thing became sin unto the house of Jeroboam, even to cut it off, and to destroy it from off the face of the earth.

The Sin Of Jeroboam

Migrations Of Israel – Chapter 2

Left: The Moabite Stone
– mentions King Omri

Unfortunately, this type of disobedience was practiced by all of Jeroboam's successors. One of his successors was King Omri. King Omri was known to the Assyrians and other nations as Gomri and Khumri.

Migrations Of Israel – Chapter 2

King Khumri

King Khumri was the king that the non-Israelite nations knew best. During the reign of Omri, the House of Israel was known as the House of Omri and these Israelites were called Khumru, or Kimmerians, after King Khumri. The English version of this word is Cimmerians.

Migrations Of Israel – Chapter 2

When it became apparent that the Assyrians were going to invade Israel, a branch of the Khumru people left Israel by sea. They settled in Wales

Migrations Of Israel – Chapter 2

The Welsh people still refer to themselves as Khumru today; and the Welsh language is virtually identical to Hebrew, because they brought this language with them directly from Israel.

Migrations Of Israel – Chapter 2

**Sir Charles
Marston**

This little-known fact is confirmed by many professional linguists, such as Charles Edwards (1675), LGA Roberts (1919), Sir Charles Marston, Professor Stephen Langdon, and many others.

Migrations Of Israel – Chapter 2

From the works of Yair Davidy, a Jewish author who has traced the linguistic connections between Welsh and Hebrew:

Migrations Of Israel – Chapter 2

A writer who signed his name "Glas" submitted a list of Welsh words with Hebrew origins in 1832. The writer remarked that, But the best proof of the Eastern descent of the ancient British is the close resemblance and connection existing between the Welsh and Hebrew languages, even at this day.

Migrations Of Israel – Chapter 2

As a proof of this we have extracted the following vocabulary of words in both tongues, so closely resembling each other in sound and sense as to leave no doubt whatever on the subject.

A Welsh Lady

Migrations Of Israel – Chapter 2

Many of these words, it will be found, have been transmitted from the Welsh, through the Anglo-Saxon into our modern English. It would be easy to swell their number.

Migrations Of Israel – Chapter 2

Examples:

Welsh	Meaning	Hebrew	English
Aeth	He went, he is gone	Athah	
Aml	Plentiful, ample	Hamale	ample
Ydom	the earth	Adamah	

Migrations Of Israel – Chapter 2

Examples:

Welsh	Meaning	Hebrew	English
Aweye	air, sky	auor, or	air
bu	it came to pass	bo	be
boten	belly	beten	

Migrations Of Israel – Chapter 2

Examples:

Welsh	Meaning	Hebrew	English
brith	bright	barud	bright
cas	hatred	Caas (anger)	
dafnu	to drop, or distill by drops	nataph, taph	

Migrations Of Israel – Chapter 2

Examples:

Welsh	Meaning	Hebrew	English
Gael hedd	heap of testimony	Galaed	
Bagad	A troop cometh	Bagad	
Anudon	Without God	Aen Adon	

Migrations Of Israel – Chapter 2

One can see in this small sample that many of the words are perfectly identical in the Welsh and Hebrew, with some of these Hebrew words even surviving into English.

Migrations Of Israel – Chapter 2

In my opinion, fully one quarter of the common English vocabulary in usage today is derived from the Hebrew.

Migrations Of Israel – Chapter 2

“For with stammering lips and ANOTHER TONGUE will he speak to this people.” - Isa. 28:11.

Migrations Of Israel – Chapter 2

Virtually all of the Anglo-Saxon world today speaks English, if not as their first language, then as their second language. This is Yahweh's doing.

Migrations Of Israel – Chapter 2

The Jewish people had nothing to do with the development of the English language. The common language of the Jewish people is Yiddish.

Yiddish is primarily German. German is also an Israelite language, as I will show later. The Jews, as a non-Israelite people, speak OUR languages, not vice-versa, which proves that the Anglo-Saxon Israelites are the leaders of civilization.

Migrations Of Israel – Chapter 2

But Yahweh has seen fit to preserve Hebrew in the Welsh language.

Migrations Of Israel – Chapter 2

From an article entitled, “*Was English Derived From Hebrew?*”:

The idiomatic likenesses between ENGLISH and HEBREW were noticed by Tyndale when he translated the scriptures. He said, "The properties of the HEBREW tongue agreeth a thousand times more with the ENGLISH than with the LATIN."

Migrations Of Israel – Chapter 2

From an article entitled, *“Was English Derived From Hebrew?”*:

The manner of speaking is in both one, so that, in a thousand places, there needest not but to translate the HEBREW word for word." Canon Lyson found 5000 HEBREW ROOTS in the ENGLISH language (Our British Ancestors);

Migrations Of Israel – Chapter 2

From an article entitled, “*Was English Derived From Hebrew?*”:

other authorities put the figure still higher. The Welsh is so much like the Hebrew that the SAME SYNTAX may be used for both. The old SAXON language is said to be eighty percent HEBREW.

Migrations Of Israel – Chapter 2

From an article entitled, “*Was English Derived From Hebrew?*”:

The oldest poems in the CELTIC language are in the "Book of the Dun Cow" (1106 A.D.) and are not unlike the poetical passages in the Old Testament" (5:626, Encyc. Brit. 11th).

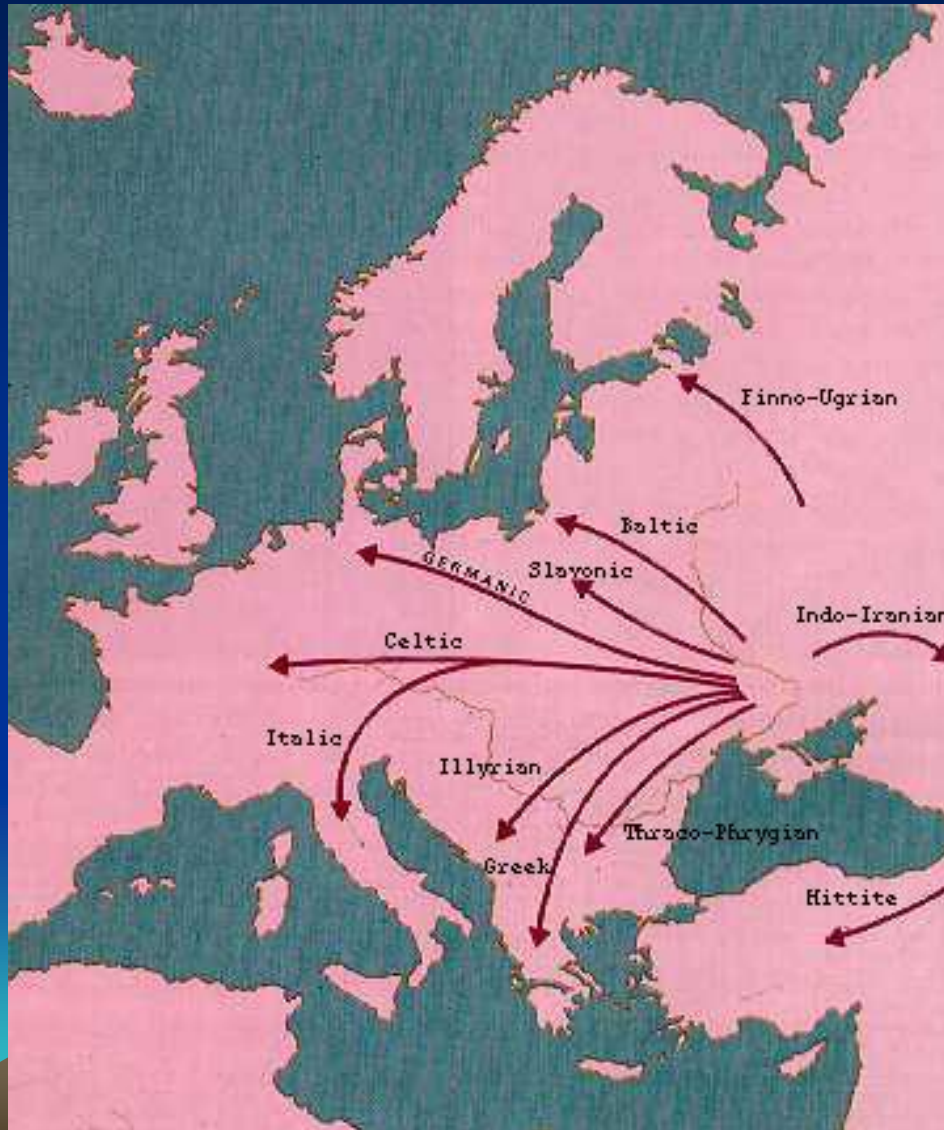

Migrations Of Israel – Chapter 2

Later, we will find that the other Anglo-Saxon languages have remarkable affinities to Hebrew as well. This means that the current academic separation of Hebrew from the “Indo-Aryan” language group is defective.

Europe

Migrations Of Israel – Chapter 2

The Israelites clearly brought their language with them as they migrated.

Migrations Of Israel – Chapter 2

Typical Welsh & Gaelic Stones

Since Welsh and Hebrew are virtually identical, there is no doubt that the Welsh people are Hebrew Israelites. Currently, there is a revival of Welsh and Gaelic occurring in the British Isles. Few of these people realize they are speaking Hebrew

Migrations Of Israel – Chapter 2

Ahab and Jezebel

King Omri's son was King Ahab. Ahab is more famous to us because he married Jezebel, the daughter of a Sidonian king. The Bible devotes many pages to their story.

King Ahab

Migrations Of Israel – Chapter 2

Ahab and Jezebel

Jezebel replaced the Israelite priests with the pagan priests from her native country.

Migrations Of Israel – Chapter 2

Ahab and Jezebel

It was the prophet, Elijah, who challenged these priests to a “duel of the gods.” Yahweh won easily! All of these Baal priests were destroyed by Yahweh,

Migrations Of Israel – Chapter 2

Ahab and Jezebel

.. and so was
Jezebel, who was
thrown out of a
window to her death.

Migrations Of Israel – Chapter 2

Ahab and Jezebel

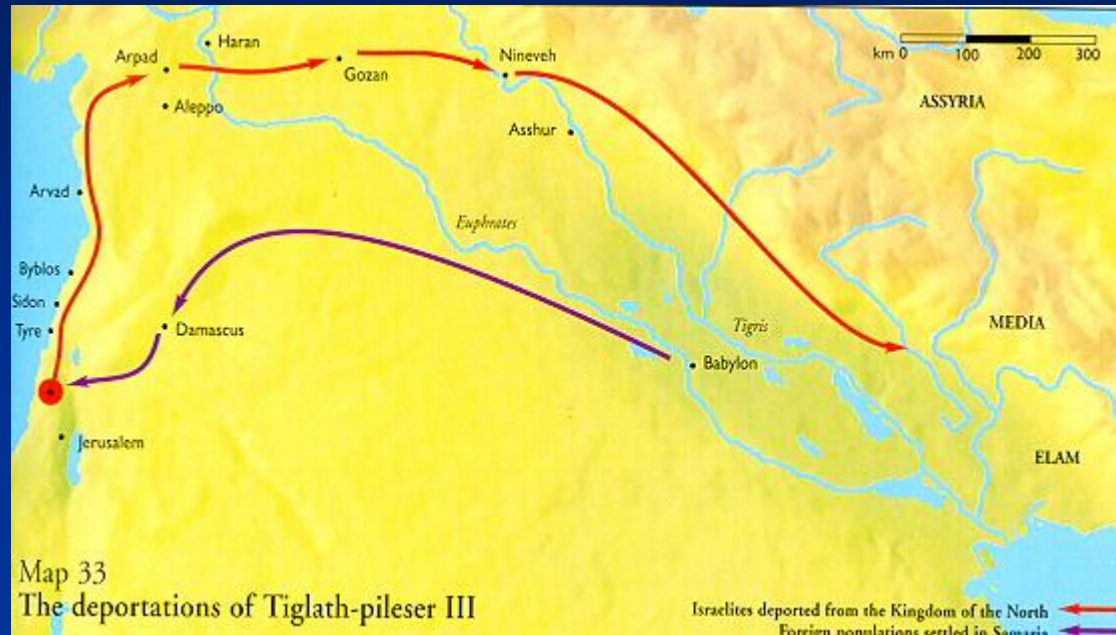

Life in the House of Israel continued this way, king after king, until Yahweh decided that he had had enough. Thus, He used Assyria to punish the House of Israel for their sins.

The Assyrian Empire

Migrations Of Israel – Chapter 2

Ahab and Jezebel

The first deportations of the Northern Tribes began in the year 745 BC. In 745 B.C., Tiglath-Pileser, king of Assyria, began the first invasion against Israel in the reign of Menahem (2 Ki.15:19-20).

Migrations Of Israel – Chapter 2

Ahab and Jezebel

In this year, the Assyrians captured and deported half the Tribe of Manasseh, the half which lived on the eastern side of the Jordan River. This event began the process of deporting the Ten Northern Tribes away from Palestine,

Migrations Of Israel – Chapter 2

Ahab and Jezebel

In this year, the Assyrians captured and deported half the Tribe of Manasseh, the half which lived on the eastern side of the Jordan River. This event began the process of deporting the Ten Northern Tribes away from Palestine, who were then resettled in northern Media, just south of the Caucasus Mountain Range.

Northern Media

Migrations Of Israel – Chapter 2

George Palmer Putnam

Putnam's Dictionary Of Events, copyright 1927, page 6, states, "745, *Accession of Tiglath-pileser III of Assyria, who wages war against Chaldea, Syria, and the kingdom of Israel.*" (Tiglath-Pileser is called "Pul" in the Bible -- 2 Kings 15:19; 1 Chr.5:26).

Migrations Of Israel – Chapter 2

These deportations, under various Assyrian kings, continued until about 712 BC. One other very important fact about these deportations is that King Sennacharib of Assyria later attacked and captured all of the cities of Judah,

**King
Sennacharib**

Migrations Of Israel – Chapter 2

except for the city of Jerusalem itself. This story is told in Isaiah 36 and 37. **Sennacherib** would have defeated the City had not an angel of Yahweh intervened by slaughtering 185,000 of Sennacherib's men.

(Isa. 37:36.)

Jerusalem

Migrations Of Israel – Chapter 2

The Taylor Prism, which resides in London's British Museum, states, "As for Hezekiah, the Judahite who did not submit to my yoke, forty-eight of his strong walled cities, as well as the small cities of their neighborhood...by escalade and bringing up siege engines, by attacking and storming on foot, by mines, tunnels and breaches, I took 200,150 people, great and small..."

Migrations Of Israel – Chapter 2

Sennacherib also refers to a people called the Mannai, which are probably the Tribe of Manasseh. This archeological evidence confirms that members of all twelve tribes were deported from Palestine and placed in Media, a large area just south of the Caucasus Mountains.

Tribe of Manasseh

Migrations Of Israel – Chapter 2

History books will tell you that the Caucasian people came from the Caucasus Mountains around 700 BC, but rarely do they pursue the previous history of the Caucasian people to their TRUE SOURCE: the Israelites of Media!!!

Migrations Of Israel – Chapter 2

There are two reasons for this:

1.) Most academic historians hate the Bible and want to refute its history.

Unfortunately for them, **modern archeology confirms the vast majority of the Bible's history.** Having no interest in verifying what the Bible teaches, they simply ignore it.

Migrations Of Israel – Chapter 2

There are two reasons for this:

2.) The rabbis of Judaism teach that the House of Israel disappeared into oblivion, **never to be heard from again!**

Migrations Of Israel – Chapter 2

There are two reasons for this:

*Archbishop
Rowan
Williams and
Chief Rabbis*

**As you can now see, THEY ARE BOTH
WRONG!!!**

The Seven Times Prophecy - Leviticus 26:13-46

13 *I am the LORD your God, which brought you forth out of the land of Egypt, that ye should not be their bondmen; and I have broken the bands of your yoke, and made you go upright.*

14 *But if ye will not hearken unto me, and will not do all these commandments;*

The Seven Times Prophecy - Leviticus 26:13-46

15 *And if ye shall despise my statutes, or if your soul abhor my judgments, so that ye will not do all my commandments, but that ye break my covenant:*

24 *Then will I also walk contrary unto you, and will punish you yet seven times for your sins.*

The Seven Times Prophecy - Leviticus 26:13-46

27 *And if ye will not for all this hearken unto me, but walk contrary unto me;*

28 *Then I will walk contrary unto you also in fury; and I, even I, will chastise you seven times for your sins.*

33 *And I will scatter you among the heathen, and will draw out a sword after you: and your land shall be desolate, and your cities waste.*

The Seven Times Prophecy - Leviticus 26:13-46

43 *The land also shall be left of them, and shall enjoy her sabbaths, while she lieth desolate without them: and they shall accept of the punishment of their iniquity: because, even because they despised my judgments, and because their soul abhorred my statutes.*

44 *And yet for all that, when they be in the land of their enemies, I will not cast them away, neither will I abhor them, to destroy them utterly, and to break my covenant with them: for I am the LORD their God.*

The Seven Times Prophecy - Leviticus 26:13-46

45 But I will for their sakes remember the covenant of their ancestors, whom I brought forth out of the land of Egypt in the sight of the heathen, that I might be their God: I am the LORD.

46 These are the statutes and judgments and laws, which the LORD made between him and the children of Israel in mount Sinai by the hand of Moses.

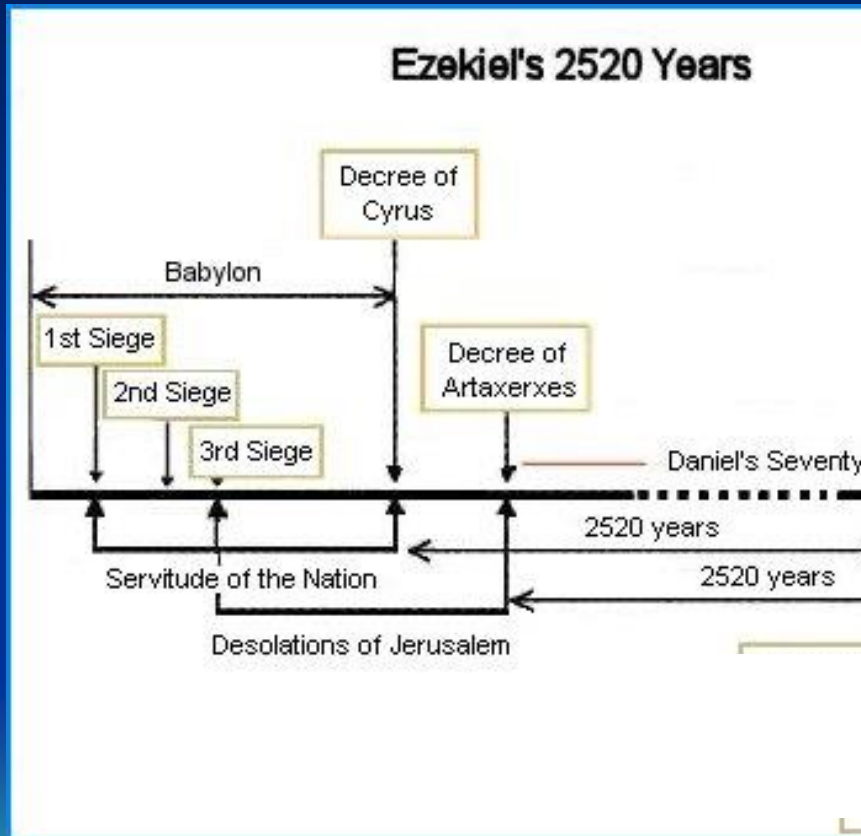

Migrations Of Israel – Chapter 2

The Seven Times Prophecy

Before the Ten Northern Tribes rebelled, Yahweh had issued this warning that, if the Israelites do not obey His Laws, He will cast them away for a period of SEVEN TIMES!

Migrations Of Israel – Chapter 2

What does this mean?
Various Bible scholars
have concluded from
other fulfilled
Scriptural prophecies
that a **“time”** equals
360 prophetic years.
Thus **“7 times”** = $7 * 360 = 2520$ years.

Migrations Of Israel – Chapter 2

Observe very closely and you will see the Divine fulfillment of this prophecy. The deportations of the House of Israel began, as cited earlier, in 745 BC. This is established, historical fact.

From 745 B.C. we add 2520 YEARS (Seven Times). Now, $2520 - 745 = 1775$. We are very close to the year in which America was founded, aren't we?

King Sennacherib

Migrations Of Israel – Chapter 2

But, close only counts in horseshoes, right? Wait a minute! There is no such thing as a YEAR ZERO!!
The BC calendar goes directly from 1 BC to 1AD!
Unlike regular math, there is no zero!

Time Calculator

Migrations Of Israel – Chapter 2

Therefore, in order to account for this lack, we have to add 1 year! Guess what? The correct answer is the Year of Our Lord, 1776, the very year the American Declaration of Independence was signed.

Migrations Of Israel – Chapter 2

America, the world's
**FIRST CHRISTIAN
REPUBLIC** (not a
monarchy like Britain)
was founded **SEVEN
TIMES AFTER THE FIRST
DEPORTATION** in 745
**BC! Imagine that! What
a coincidence! Not in
God's Plan, it isn't!**

Migrations Of Israel – Chapter 2

There are no coincidences with Yahweh. His hand guides all of prophecy and history. Since all of the European nations were founded by Israelites, and

representatives of all of these nations migrated to America, America is the regathering place of ALL TWELVE TRIBES.

Migrations Of Israel – Chapter 2

This amazing prophecy was fulfilled by the United States of America, the USA, which is destined to be the future headquarters of God's Kingdom, the New JerUSAlem, right here on earth!

Are you now beginning to understand how important it is to correlate these prophecies with the TRUE HISTORY of the Israelite people?

Migrations Of Israel – Chapter 2

The Gog Prophecy of Ezekiel 38:11 states that Gog's army would attack a land of unwalled villages. This cannot be Palestine or the Israeli State, for the Jewish State is NOT a land of "unwalled villages."

Migrations Of Israel – Chapter 2

Far from it! In fact, the Jews are building even more walls around their villages as we speak!! But America has always been a land of unwalled villages.
